

## SCRIP ENVELOPE SALES

The SCRIP office will continue to process orders which arrive via the SCRIP envelope. If you are interested in purchasing SCRIP using this delivery system, please sign and return this paper to the SCRIP office. The office will fill orders Tuesday thru Friday in the afternoon. The volunteer will deliver these to your student's teacher, and she will give them to your child to take home. You will fill out a form, include payment (cash/check) and send it in with your oldest child. They turn it over to their teacher in the morning, who sends it to the school office and then it is routed to the SCRIP office. In an effort to cut some costs, the SCRIP office will send an envelope home to those families requesting one. Just fill out the bottom portion of this form and return the entire form to school, to the attention of the SCRIP office. If you do not request one immediately, be assured there will be extra in the SCRIP office if you change your mind. Any questions you may have can be directed to the SCRIP office at 362-8961, option 5. Thank you.
